Music - Alyssa Loukota

G C G G C G
I adore You, God in hiding, 2nd 3rd open

C D C D
You in other shapes abiding, 5th open

C G
My whole heart bows meek and low,
C D C G

Knowing You has made it so. Turn around - 5th 4th 2nd open

C D
Sight and touch and taste betray;

C D
Only hearing shows the way;

G C
God's Son speaks and I believe;

G C D C G
God's own Truth cannot deceive.

G C G
God so hid upon the cross

C D
Even His manhood seemed a loss;

C G
I confess Him God; and pray

C D X G
With the thief who died that day.

C D
Thomas saw the wounds and knew;

C D
I see not, yet say to You

G C,
"God and Lord!" Pray, make me move

G C D X G
More toward hope in You and love.

E
O reminder of God's death,
Living Bread that gives us breath,
Let my mind exist anew,
Let me taste sweet life in You.

E
How the pelican reveals
Christ who spills His blood and heals;
Just one drop of it has freed

All the world of sin and greed.
E
Jesus, You are veiled from me;
Yet I long and thirst to see
Your whole glory face to face
And to take my blessed place.
