All We Have

by Alyssa Loukota ©2001

A E A  
All I have, I have by You

D A  
All I need, You see me through

E A  
All is Yours to serve only You

D A  
But of all that I have, all I need is You

D A  
I do not hoard the things of earth

D E  
The only treasure I keep is in Heaven.

D A  
As I let go of my earthly greed,

Bm  
I find I am free as the sparrow You care for.

A  
You watch over me.

(Chorus)

D A  
The widow she put in all of her pennies

D E  
You saw in her a gift of surrender

D A  
In faith she gave all that she had

Bm  
A gift greater than the one who had plenty.

A  
Love is kind of like that.

(chorus)

D A  
The poor we will always have with us.

D E  
For we need them to teach us some things.

D A  
We learn from those who only have Jesus,

Bm  
Don't hold on too tight to your money & power.

A  
We come closer to ~~Thee~~ You.

(Chorus twice)
