

Come Down, O Love Divine  
Fernando Ortega

CAPO on 1st fret. Intro: C - F (x2)

C F C Am F G  
Come down, O love divine, seek Thou this soul of mine,  
Dm F G - C  
And visit it with Thine own ardor glowing.  
F C/E Gm Dm - C - G  
O Comforter, draw near, within my heart appear,  
C/E F G - [ C - F (x2) ]  
And kindle it, Thy holy flame bestowing.

C F C Am F G  
O let it freely burn, til earthly passions turn  
Dm F G - C  
To dust and ashes in its heat consuming;  
F C/E Gm Dm - C - G  
And let Thy glorious light shine ever on my sight,  
C/E F G [ C - F (x2) ]  
And clothe me round, the while my path illuming.

C F C Am F G  
Let holy charity mine outward vesture be,  
Dm F G - C  
And lowliness become mine inner clothing;  
F C/E Gm Dm - C - G  
True lowliness of heart, which takes the humbler part,  
C/E F G [ C - F (x2) ]  
And o'er its own shortcomings weeps with loathing.

C F C Am F G  
And so the yearning strong, with which the soul will long,  
Dm F G - C  
Shall far out-pass the power of human telling;  
F C/E Gm Dm - C - G  
For none can guess its grace, till he become the place  
C/E F G [ C - F (x2) ] - C  
Wherein the Holy Spirit makes His dwelling.
