(I'VE MADE LITTLE CHANGES OF SOME CHORDS HERE BECAUSE MY FIRST SUBMISSION HAD ERRORS ..cause the time i submitted that one i am so excited of the song.)
\\\ - changes

C#m B
Heaven bent to take my hand
A E
And lead me through the fire
B C#m \\\
Be the long awaited answer
A E
To a long and painful fight
C#m B
Truth be told I've tried my best
A E
But somewhere along the way
C#m B A
I got caught up in all there was to offer
C#m B A
And the cost was so much more than I could bear
F#m A
Though I've tried, I've fallen...
E B F#m \\\
I have sunk so low
A
I have messed up
E B
Better I should know
F#m A
So don't come round here
E B A
And tell me I told you so...

(same chords with the 1st stanza)
We all begin with good intent
Love was raw and young
We believed that we could change ourselves
The past could be undone
But we carry on our backs the burden
Time always reveals
F#m C#m
The lonely light of morning
F#m C#m

The wound that would not heal
 F#m A E \\\
 It's the bitter taste of losing everything
 B F#m - A \\\ (i'm pretty sure now of this part)
 That I have held so dear.

E
 I've fallen...
 B F#m
 I have sunk so low
 A
 I have messed up
 B
 Better I should know
 F#m A
 So don't come round here
 E B A
 And tell me I told you so...

(same chords with the 1st stanza)
 Heaven bent to take my hand
 Nowhere left to turn
 I'm lost to those I thought were friends
 To everyone I know
 Oh they turned their heads embarassed
 Pretend that they don't see
 C#m
 But it's one missed step
 B A
 You'll slip before you know it
 C#m B A
 And there doesn't seem a way to be redeemed

F#m A
 Though I've tried, I've fallen...
 I have sunk so low
 I have messed up
 Better I should know
 So don't come round here
 And tell me I told you so...
 [x2]

that's all ENJOY again!!!!
